

It's the PTYC Annual Holiday Play!

A Special Performance at Key City Public Theatre

December 27, 2018 at 7 PM

Every Christmas Story Ever Told (and then some)

On some evenings in December 2018 instead of performing Charles Dickens' beloved holiday classic for the umpteenth time, or Spirit of the Yule for that matter, three actors decide to perform every Christmas story ever told — plus Christmas traditions from around the world, seasonal icons from ancient times to topical pop-culture, and every carol ever sung. A madcap romp through the holiday season!

Don't Delay!

Purchase your tickets directly from Key City Public Theatre.

Following the play, there will be drinks and dessert at the theatre.

Linger and visit. Meet the actors and crew.

Finally, please sign up online so we'll know who's coming.
