

2018 Reciprocal Yacht Clubs

Listed below are the yacht clubs with which we have reciprocal agreements. They are grouped by general location within our cruising area. Clubs with an asterisk means that they are not (yet) on the web site <http://yachtdestinations.org>. Almost all our reciprocal clubs are listed on this web site. By creating an account there (for free) or going there thru our PTYC website, you can get a tailored list showing just the clubs with whom we have agreements. When you click on any club's name, you can see a location map, detailed descriptions of the area and facilities and exactly what they expect of a reciprocal boater. In addition to the on-line list of reciprocal clubs, we can provide you with a full-page or half page PDF file to use with your PC or smart phone showing all those clubs (pulled from yachtdestinations.org). To get either or both, send an email to our Reciprocals Coordinator at Reciprocals@ptyc.net.
