

2018 Watch Captain and Crew

Watch purpose: to get everyone in the club to participate, train new members, spread the workload, and to generate new ideas and events.

Watch consists of: Watch Captain(s) (usually a couple) and 2 – 3 couples (or singles) as crew members.

Timeframe: Watch covers one monthly meeting and should meet or communicate with each other a month or so ahead of time to plan what they want to do.

The following are guidelines for the Watch and the Watch Captain. There is a notebook on watches in the pantry at the club. Club opening and clean-up responsibilities are posted inside the pantry door. Code for key lockbox is the same as the outside door.

Watch Captain Responsibilities:

1. Communicate with watch crew to plan the meeting. This should be done with enough advance time to get information on potlucks or other plans in the Baggywrinkle and out to members, if needed.
2. If you find you are unable to captain your watch month, please find an experienced replacement from your crew or trade months.
3. Train members on all the details of opening the club, using the galley, making coffee, and cleaning up.
4. Submit any bills to the Treasurer on the reimbursement form which can be found on the website (Home-About –scroll to bottom) or in the Watch book in the pantry. Try to submit all the bills together on one form. Watch Captain is responsible for dispensing moneys to their crew.
5. Fill out the Watch report and submit to the Watch and Program Committee.

Watch Responsibilities:

1. Plan and make the refreshments for the break. Feel free to make items but store bought desserts from Costco or other sources are fine. Open the club early, turn on heat, and follow procedures for set-up and clean-up posted on the inside of the pantry door.

NOTES:

1. The club provides \$75 to cover watch **expenses** for the meeting.
2. **Please stay within the budget.**
