

**South Sound Cruise
September 14 – 22, 2019**

Fall colors ... lots of laughs ... great boating ... interesting sights ... celebration

***Saturday, September 14th: Kingston Marina
(360.297.3545; VHF 65A)***

Join us for a cook-out on the dock with delicious main course prepared by your co-captains. Beer and wine too. Bring an appetizer or side to share.

NOTE: PTYC has reserved a block of slips. Individual boaters need to call Kingston Marina to be assigned your spot.

***Monday/Tuesday, September 16 & 17th:
Arabella's Marina, Gig Harbor
(253.851.1793)***

We'll spend 2 nights at Arabella's in Gig Harbor, 22 nautical miles from Bremerton. If you haven't been there you are in for a treat. We have reserved the common room for cocktails at the marina. We are then planning 2 nights out for dinner – *Millville Pizza* (casual and wood-fired) the first night and *Tides Tavern* (great pub food looking out on the water). Both are short walks from the marina. For breakfast if you wish, *Susanne's Bakery* is just next to the pizza place from the night before. Both are around the corner from the marina.

NOTE: We have made reservations for a block of slips at this marine. Each individual will need to call to reserve their spot.

***Sunday, September 15th: Bremerton Marina
(360.373.1035; VHF 66A)***

We'll cruise on down the sound 18 nautical miles to Bremerton Marina. We are planning a night out at *Anthony's* restaurant which is nearby.

NOTE: PTYC has reserved a block of slips. Individual boaters need to call Bremerton Marina to book their individual slip reservation.

Wednesday/Thursday, September 18th & 19th: Dock Street Marina, Tacoma-Foss Waterway (253.250.1906)

A short hop from Arabella's (only 8 nautical miles). There is lots to do here – the Art Museum, Glass Museum and more. The Eisenhardts are hosting a joint birthday celebration for Debbie Williams and Paul Eisenhardt at Pacific Grill in Tacoma on the 18th. It will be \$30 per person; the Eisenhardts are covering the rest of the bill for all. It is Tacoma's award-winning restaurant. We'll play it by ear on September 19th after a full day of sightseeing. We are sure there will be impromptu cocktail get-togethers on someone's larger boat or the dock.

NOTE: We have made reservations for a block of slips at this marine. Each individual will need to call to reserve their spot.

Friday, September 20th: Bell Harbor (206.787.3952; VHF 66A)

We'll have one more stay at this Seattle marina during the warmer weather (22 nautical miles from Tacoma). We'll plan on a casual dinner at Anthony's which is right next door. They have a wonderful outdoor eating area.

NOTE: We have reserved a block of slips at Bell Harbor. Each individual needs to call to reserve their spot.

If you wish to go home from here, you are welcome to do so. Otherwise, plan to spend one more night out on September 21st at Kingston – coming full circle.

Saturday, September 21st: Kingston Marina

Same drill as the start of the cruise, except we will leave it to everyone to do their own thing that evening. The cruise captains will likely plan on dining at the Kingston Ale House just up from the marina.

Port Townsend Yacht Club

Cruise Captains: **Paul & Elizabeth Eisendhardt**
