

PORT TOWNSEND YACHT CLUB
2018 Maritime Scholarship Application Form

SCHOLARSHIP PURPOSE

Scholarships will be awarded to individual students for post-high school study in a maritime educational program at a technical school, college or university. Approved fields include, but are not limited to, marine biology, fisheries, ship and/or boatbuilding and repair, ship operations such as officer and/or deckhand training, commercial dive training, and other marine fields.

Scholarships may be made available to students residing in Jefferson County, Washington, desiring to attend post-high school maritime programs either inside or outside the County, as well as to students residing outside the County desiring to attend programs inside the County.

Awards will be made to the educational program at a technical school, college or university for the awardee's use. The Scholarships are funded by members of the Port Townsend Yacht Club and are made available to qualifying awardees on an equal opportunity basis. Applications are available at the Club's website at www.ptyc.net and on the Washboard at www.thewashboard.org.

APPLICATION PROCESS

1. Complete the application and essay questions contained in the attached application.
2. Attach signed letters of reference from two of your teachers or maritime program staff.

HOW DID YOU LEARN ABOUT THIS SCHOLARSHIP ?

=====

Please address these questions in an essay format:

1. What is the Maritime/Nautical education experience for which scholarship funds are being requested?
2. What amount of funds are you requesting?
3. If the experience costs more than the funds being requested, please indicate your ability to obtain the remaining necessary funds
4. Please describe your maritime/nautical interests, goals and plans.
5. Given that there may be a large number of applicants for these scholarship funds, please tell the scholarship committee in detail why you think they should specifically award funds to you.

Thank you for your application. Formal scholarship award notifications will be made February 15, 2018.
