LINKS TO THE Red Cross Reference Materials

American Red Cross - **Anatomy of a First Aid Kit**

Red Cross recommends that first aid kits for a family of four include:

<http://www.redcross.org/get-help/how-to-prepare-for-emergencies/anatomy-of-a-first-aid-kit>

American Red Cross Emergency First Aid Guide, for purchase online: \$2.65 Item ID 758272

The American Red Cross Emergency First Aid Guide is a first aid reference tool which provides emergency action information and basic caregiving steps for a range of situations, including cardiac emergencies, stroke, burns, choking, allergic reactions and more. The Emergency First Aid Guide is ANSI/ISEA 2015 compliant and is designed for companies to place in their current first aid kits or cabinets, or to replace lost guides. - handy pictorial guide to PRINT for first aid kit
