

The PTYC Diehard Sailing Squadron (DSS)

What is it? An elite group of PTYC mariners who cruise slowly in boats that lean sideways.

How do I get in? Join a PTYC cruise and sail the entire distance between any two ports—that's it! Motoring exemptions are granted for marinas, narrow channels, etc. Scheduled and pick up cruises count.

Any other requirements? Like the Pirate Code, the DSS Rules are more like guidelines. Consult with the President, who can be bribed, for current interpretations.

What do inductees receive? Honor, recognition and a baseball cap to wear with pride.

What's the big deal? If you have to ask, you are a sane person.
