

October Garage Sale Proceeds Support PTYC Scholarships

Can it be possible that September has arrived --- already? And though there's plenty of sunshine and warmth for weeks ahead (hopefully!), it's that time of the year to think of -- what else --- but PTYC's Annual Garage Sale!!! It's coming up on October 15!

For those who are new to the club, PTYC sponsors a public Garage Sale at our clubhouse, where PTYC volunteers sell items that have been donated by the membership. What a perfect time to re-gift or hand-down new or slightly used boat and household items, books, clothing, electronics, tools and some furnishings!

The proceeds fund scholarships to local students of the maritime field. Thanks to the generosity of PTYC members, many more of them have been awarded much deserved and needed resources towards their education and training!

As before, we will need as many volunteers as ever, to ensure a successful event. So please keep in mind the dates below, and sign up for shifts on our website www.ptyc.net under EVENTS/ SOCIALS , or contact the Co- Coordinators, listed below:
